

Community Health & Resource Fair

Door Prizes • Raffle • Music • Food & Drinks

The purpose of this outreach event is to provide health related services and community support services to Cumberland County residents. There will be mobile medical units available that will provide services such as blood pressure readings, cancer screens, STI Testing, vaccinations, and more. Information for the blind, visually impaired, hearing impaired, sickle cell and so much more. There will also be demonstrations for Hands on CPR, Narcan use and testing.

The Community Health & Resource Fair is a collaborative project between Cumberland County's Connected Care Program and Spring Lake Family Support Services.
